COMMISSION

UNITED NATIONS REG. NO. 10418

COMMISSION SERICICOLE INTERNATIONALE

An inter-governmental organization instituted in 1960

No. ISC/1/20/2021

2 September 2021

ANNOUNCEMENT

The International Sericultural Commission (ISC), Bangalore, India, an inter-governmental organization engaged in the global development of sericulture and silk industry, invites nominations from ISC Member Countries and Associate Members for the International Award namely “**Excellence in Sericulture Science (ESS)**” on the following 4 categories:

#	Category	Areas covered
1	Silkworm Host Plant Development	Host plant development for mulberry, tasar, eri and muga sericulture – agronomy, breeding, pest and disease management, molecular biology, cultivation, tissue culture, machinery development, etc.
2	Silkworm Development	Silkworm breeding, silkworm protection, physiology, silkworm rearing practices, seed production, extension, machinery development, etc.
3	Post cocoon and Post yarn Technology	All activities in post cocoon and post yarn development, machinery development, extension, fashion industry, marketing, promotion, etc.
4	Silkworm and Silk in Non-Textile Industry	Use of silkworm and silk in frontier areas of research including biotechnology, biomaterial, pharmaceutical, by-product utilization, etc.

The award shall be given to scientists, professionals and other stakeholders associated with the activities related to silkworm host plants, silkworms, silks including mulberry, non-mulberry, spiders, bees, hornets, and the other silk insects. Any specific invention, research, action or any other efforts of the persons/group resulted/which can result significant impact to the specified areas of silk and related industries shall be considered for the award. The achievement must have field applicability and contribute to the development of silk industry in any manner. A person/group can apply for any one categories of the award.

The Award shall be presented during the 26th ISC Congress scheduled to be held at University of Agricultural Science and Veterinary Medicine, Cluj Napoca, Romania during 19th to 22nd May, 2022. The ESS Award consists of a Citation and a Medal. Candidates

from 21 Member Countries and Associate Members are eligible to apply for the award. The nominated applications shall be evaluated by the International Award Committee of ISC comprising eminent scientists drawn from different countries. The Committee shall evaluate the contributions of the applicant purely based on the industry impact. One awardee from each of the four categories would be selected for the year 2022 among the nominations received from ISC Member Countries and Associate Members.

Accordingly, International Sericultural Commission hereby invite nominations for the ESS Award- 2022 from the ISC Member Countries and Associate Members. Each Member Country can nominate up-to two candidates each for the above four categories of the Award (total 8 nominations) and Associate Members can nominate one candidate each for the 4 categories of the Award (total 4 nominations). The candidates may be identified by an Expert Committee among the applications received from interested candidates through open advertisement. The nominations of each candidate should be submitted along with the duly filled in application Form for "Excellence in Sericulture Science" Award-2022. The prescribed application form is attached.

The nominations along with the relevant details from the Member Countries and Associate Members should be submitted to the Secretary General, International Sericultural Commission, Bangalore, India by 12 midnight (Indian Standard Time) on **31st December, 2021**, at E-mail ID iscbangalore@inserco.in .

The nominations received after due date shall not be considered.

Rajit Ranjan Okhandiar
Secretary General

To:

- 1) National Delegates of Member Counties
- 2) Associate Members

APPLICATION FOR AWARD ON EXCELLENCE IN SERICULTURE SCIENCE

✓ Select any one Category of the Award Applied for:

- Silkworm Host Plant Development
- Silkworm Development
- Post cocoon and Post yarn Technology
- Silkworm and Silk in Non-Textile Industry

- 1) Name :
- 2) Gender :
- 3) Date of Birth :
- 4) Present Address :
- 5) Address for correspondence :
- 6) Educational qualifications :
- 7) Positions held :
- 8) Experience in Silk Industry :
- 9) Trainings undergone :
- 10) Honors and Awards :
- 11) Memberships :
- 12) Publications (Annex details grouped : **Annexure-I**
Into primary and co-authorship)
- 13) Participation in Scientific Meeting :
- 14) Assignments/Consultancy :
- 15)** Achievement proposed for : **Annexure-2**
the Award

(Please indicate within five pages; the specific invention, research, action or any other effort resulted in significant impact to the specified areas of silk and related industries. Quantify the impact in terms of benefitting the industry with credible and or verifiable data, testimonials and other forms of evidences. In case of submitting elaborate reports, first five pages of the report shall only be considered for evaluation)

- 16) A 1-page write-up indicating why the candidate consider themselves fit for consideration to the Award. The descriptions need to be indicated in measurable outputs in qualitative and quantitative terms. This information shall be exclusive and shall not be repetitive with the information given at 15) above. *In case of submitting more than one page, information contained in first page alone shall be considered for evaluation (Annexure-3).*

Declaration

I hereby declare that all statements given above are true, complete and correct to the best of my knowledge and belief. I also declare that I am a citizen of _____ by birth.
